

42 Series Commercial Lid

142 series

Mold Number(s): R42C

A *high density polyethylene* commercial lid suitable for solid, semi-solid, viscous products or dry bulk ingredients. For use with our 11.5L and 15L Commercial Pails. The tear-strip design offers tamper-evidence and resistance and, upon removal, provides a re-applicable lid, ideal for reuse.

PERFORMANCE SPECIFICATIONS

- No objection status for food contact applications from the Health Protection Branch in Canada and compliance for use in food contact applications by the Food and Drug Administration in the United States. Black lids excluded.

DIMENSIONS

	Weight 135.0g ± 5.0g	
Dimensions (approximate)	Outer Diameter 12"	Thickness 0.6"

Approved By Leah Friesen

SPECIAL FEATURES

Tamper-Evidence	Before removing this lid, a tamper-evident tear-strip must be torn off, giving quick indication if the lid seal has been broken.
Resealing	Once the tear-strip has been removed, the lid is easily replaced and secured onto the pail.

FILLING AND STACKING RECOMMENDATIONS

- Compatibility of the container with the fill product is the responsibility of the filler.
- Contents should not exceed 70°C (158°F) at time of fill.
- Filled packages should not be stacked and stored above 50°C (122°F).
- Any fill product should be wiped clean from the bead of the pail before affixing the lid.
- The centre of the lid should be depressed when affixing the lid to the pail, forcing out excess air.
- The use of double-faced pallets is recommended. The packages should be evenly spaced on the pallet so that they do not exceed the edges of the pallet.

PACKAGING AND SHIPPING DATA

	<u>Cartons</u>	<u>Bulk (minimum order quantities apply)</u>
Quantity Per Carton	192 pieces	1344 pieces
Cartons Per Pallet	9	N/A
Packaged Carton Weight	60.5 lbs.	409 lbs.
Carton Dimensions (L x W x H)	37.8" x 12.9" x 25.4"	48.9" x 37.6" x 43.0"
Carton Volume (Cubic Feet)	7.15	45.75
